

SELF-GUIDED TOUR MAP

As you enter a new space or observe new technology, please pray that it will be used to glorify God and help draw more people in the community into a meaningful relationship with Jesus Christ.

1. **Worship Center Patio** with benches and sidewalk lighting outside the South Main Entrance.
2. **South Main Entrance** which will be featured on our website as the primary entrance for first-time guests.
3. Large, open **lobby** with two large flat screens and speakers to promote DBC programs and to watch the live-stream during the service.
 - **Information Desk** for guests featuring flat screens showing guest information.
 - **South Kids Check-In** station. We now have three convenient places on campus to check in your child.
 - Open **staircase** leading to the upper balcony.
 - **Lobby café** with complementary coffee on Sundays (post Covid) and convenient countertops with electric plugs and tables to work on a laptop during the week or meet with a friend.
4. Formerly known as the Prayer Garden, the lawn area outside the café will now be known as the **Bell Garden** and features benches and the relocated bell tower with newly added LED lighting on the cross and tower.
5. Plentiful **restrooms**.
6. **Living Room** for quiet conversations.
7. New **DBC logo sign** on the exterior of the building outside the East Main Entrance.
8. **Worship Center** featuring a 32-foot LED wall, flexible seating options for 800+, flat floor and new sound system. The room has been pivoted with the baptistery in the original location. Refer to the handout at the sound booth for details on our extensive tech upgrades.
 - **Backstage Production Rooms:** (1) Production Control Room (PCR) for video/livestream production. (2) Central Equipment Room (CER) with racks holding supporting equipment. (3) Audio for Video (AFV) room for mixing the audio for the livestream in an acoustically-treated space. (Enter from the stage using the back stage door.)
 - **Family Sitting Room** with one-way glass for noisy children.
 - **Balcony** has the same seating layout and features two staircases, new chairs and new carpet.
9. **Volunteer Hub** off of the lobby features snacks and lockers for volunteers.
10. **Nursery**, located near South Kids Check-In, features a new ramp entrance, repainted interior and a new **Nursing Room**. Targeted completion date for removal of the Ridgeway roof is summer 2021.
11. **Wall map and wayfinding signs** for Upper Mainstreet and Lower Mainstreet.
12. **New Prayer Room**, located at the top of the Upper Mainstreet ramp, features a special 24/7 intercessor entrance, private prayer suites and our prayer office.
13. The **access passage** to the rest of Upper Mainstreet which leads to the Chapel, adult classrooms and the Church Office, and features an enclosed interior hallway, flat screens that will show our live-stream of both services and improved wayfinding signage. This area demonstrates the easy, flat interior walking access from one end of the campus to the other.
14. The **Elevator Lounge**, a new small sitting room, is located up seven stairs on the way to the Dining Room.
15. Travel back down the ramp towards the lobby and make a hairpin turn when you reach the bottom to make your way down the Lower Mainstreet walkway, following the blue walls to the newly secured **children's spaces**.
 - **Central Kids Check-In** station and security checkpoint near our preschool classrooms.
 - New exterior **Sunday preschool entrance sign** guiding parents to the most convenient parking spaces for our preschool families.
16. Continue along Lower Mainstreet walking through the **preschool area**, following the walkway through the outside playground, where you will then enter our newly refurbished **elementary area** located on the lower level of the Chapel building.
 - New **Preschool Rally Room** is to the right and renovated **Elementary Rally Room** is to the left.
 - Now walk up the stairs to the main level of the Chapel building, exiting out of the children's area into our **North Kids Check-In** station located in the Chapel lobby.
17. **Chapel** with motorized window blinds and enhanced sound board, livestream production and lighting.
18. **Covered drop-off awning** at the North Main Entrance to protect during inclement weather.
